Ottawa, Illinois – The Illinois Department of Transportation announces that the Illinois Route 251 bridge over the Illinois River in Peru will have one lane closed in either direction from 8:00 a.m. to 5:00 p.m. beginning Monday, June 15, 2015 through Friday, June 19, 2015. The lane closure is necessary so the department can perform the routine bridge inspection of the structure.

The Department regrets any inconvenience this will cause the traveling public.

Please slow down and use extreme caution while driving through all work zones.
